

NEW CALENDAR ADVERTISING OPPORTUNITIES AVAILABLE

Lake Center Christian School has added some exciting new opportunities to advertise in the 09-10 school calendar!

You can now let school families know about your business or event for an affordable rate and help LCCS cover the cost of the annual calendars.

In addition to the Business Card Ad for \$75, you have the following new options:

- Border Ad—For \$200 you can have 4 months of advertising in the LCCS calendar, 1 border ad per quarter of the 09-10 school year.**
- Memo Ad—Parents are always looking for someplace to write little notes like phone numbers. This advertising space gives them a place to place those needed notes and a reminder of your business or event. For \$125 you can have 2 months of advertising in the calendar. The ads will be place in nonconsecutive months during the school year.**

Examples of these new advertising opportunities are available on the next page. Please contact us ASAP to advertise in this way so the calendars may be available to distribute the first week of school.

We hope you will consider one of these great chances to get the word out and help is cover the costs for the 09-10 school calendar! For more information, please contact Denise Hudak in the Development Office at lccsdhudak@yahoo.com or 330-877-2049, ext. 304.
